

VILLA FE HEALTH AND SAFETY PRECAUTIONS

- All outdoor and indoor spaces at our hotel are cleaned with alcohol – based hygiene products and disinfected with Ozone Generator.
- Alcohol – based sanitization stations and sanitizing entrance mats are placed in the hotel and meeting room entrances.
- Surgical masks and gloves will be supplied to our guests on demand at the reception and restaurant entrance.
- We kindly ask our guests to follow instructions on social distancing signs and measures embedded in all services for guest protection in case of any crowds at the reception.
- Body temperatures of our personnel are being checked on a daily basis. Body temperatures of our guests will be checked with touchless forehead thermometer while entering to the hotel.
- You can make your reservations online via our website or on our mobile line which is +90 533 931 52 14 or via whatsapp and you can speed up your entrance to the hotel without any personal contact by making your payments via bank transfer.
- Our interior halls and public WCs are closed due to Covid pandemic.
- Our restaurant, meeting rooms and spaces around the pool are designed in accordance with the social distancing rules and we kindly ask our guest not to move tables, chairs and sunbeds and if necessary, please ask our personnell' assistance.
- We kindly request our guests to use waste bins placed on all entrances for used masks and gloves.
- Open buffet service is cancelled; breakfast and food services will be served to tables.
- You can reach easily our contacless menu via QR codes on the tables and give your order in a secure way.
- Our rooms are being kept vacant for 2 days before and after the disinfection due to pandemic.
